

Grandparents Day

Friday 29 July 2016

We are all looking forward to celebrating this special feast day with you all. The feast of Ann and Joachim (Jesus' grandparents) is an appropriate time to honour the place of grandparents in our lives and the lives of our students.

Our celebration will begin with Mass St Patrick's Church Stanley Street Wainuiomata.-9.am

(Students need to be dropped at the church by 8.40am- We will bus them back to school).

We will then welcome our grandparents to our place with a Mihi Whakatau and performance by our Kapa Haka group followed by a scrumptious morning tea hosted by our student council.

After morning tea we would like to invite you to spend time in our classrooms.

What we would like is for you to bring something from yesteryear... to share with our students. This could be a photo, a game, a tool, a story, anything that reminds you about the good old days. We are all so much looking forward to seeing you.
