Week Nine Term Four Monday 11 December 2017

Dear Parents and Caregivers,

Welcome to the final week of school. This week our theme is JOY... At this time of advent, we are preparing to welcome Jesus to the world. This is a time of waiting and preparation for the arrival of the new born King. Whilst we wait for this arrival we also reflect on what Joy the birth of Jesus brings, however we can experience joy in many other ways....

Joy is something special, something different. Joy comes from your soul, from the very essence of you. It is an outward reflection of yourself, not merely a fleeting experience triggered by a particularly nice meal or a sunny day.

You find joy when you stop living for what's coming next and start living for where you are now. Look around and soak in everything that you are experiencing, find the beauty and the good in all of it. Once you begin to find joy in the things you do, you will find it impossible not to spread it to others, even unintentionally.

Be more spontaneous, do more of what you love and find something to love in everything that you do. Smile more often and laugh more, confidently be YOU and be joyful in YOU.

There are many opportunities for Joy in this the last week of school. Included in this newsletter is a list of events and what you need to know about these.

We would like to take this opportunity to thank you all for your support during the year. We wish you all a very happy and holy Christmas and a restful and refreshing New Year.

God Bless

Sue Jury
