Mad for Marshmallows

Make sure you visit Staglands these July School Holidays and enjoy free marshmallows to toast on the fire down at the barn. Don't forget they'll also be running their, very popular, free tractor trailer rides (circumstances permitting). Bring the kids and the adults too and immerse yourself in this classic kiwi childhood experience.

The poster features a young girl in a red jersey holding a yellow and black rugby ball. The Wellington Rugby logo is in the top left, and a yellow 'FREE' banner is in the top right. Below it, the text reads: '3 grades: U8 (rippa), U10 (rippa and/or tackle) & O10 (quick rip and/or tackle)' and '9 weeks of skill development and games'. The schedule is organized into three columns: Hutt Valley, City, and Western Bays, each with three dates.

The Hearing Association would like to remind parents to educate their children about safe hearing due to the rise of noise induced hearing loss:

1. Start Early
2. Learn together about the ear and how it works.
3. Discuss the fact that hearing loss can occur when we listen to loud sounds for long periods of time.
4. Model good behaviour
5. Ensure every-one in the family is wearing hearing protection to noisy events.
6. Teach your children to turn the sound down, walk away from loud sound or wear hearing protection.
7. If you are listening to music and have to raise your voice to be heard the music is too loud.

If you need help contact the Hearing Association on 567 8036
