April 2019

Dear Parent/Caregivers,

We are now planning for the Sacramental journey. This will begin next term with the opportunity for those who wish to be baptised.

Following baptism, we will guide our children on their sacramental journey:
Reconciliation
Confirmation and
First Communion/Eucharist.

As always we would like to be able to support these children through this programme and offer the opportunity to deepen their faith.

In order to participate in the programme we need the following information from you.
