

Do you need our help? We need yours...

This week we have been reviewing the current debt owed to both our school and the Archdiocese of Wellington. We acknowledge that at times there can be many demands on our money and paying bills can be challenging. We also know that it is best to pay a little regularly than nothing at all... paying a little keeps the debt collectors at bay...

Our current debt is:

St Claudine Thevenet School	Archdiocese of Wellington
\$27,284.00	\$116,814.00

We want to be able to help so we are suggesting the following:

Are you aware of what you owe at school? If you owe anything at school your statement is attached for your information.

Are you aware of what you owe the Archdiocese? If not please give Leeanne a call and she can advise you of your current balance.

We want to help each family to ensure they are not paying debt collectors more money.

It is best to have an automatic payment set up for both school and the Archdiocese. If you wish to set this up, please call into the school office and Leeanne will help with anything you need to set these up.

If you are currently struggling to meet your financial commitments, please feel free to contact me and we can sit down and make a plan that suits best.

Email is the best way to contact me. principal@stclaudine.school.nz

We are here to help

Sue Jury
